Cub Scouts

Pack 36

A Message to Parents

Cook/Camp Out at Chewacla State Park

Come between 4:30 & 5:45 to set up your tent. At 6:00 anyone interested should meet us at Dudley Hall (College of Architecture, adjacent to Graves Amphitheatre) on the Auburn Campus for the 20th Annual Pumpkin Carving. More than 400 pumpkins carved by architecture students will be on display – awesome event! Then, we'll all go back to Chewacla to build our fire, cook our hotdogs, & roast marshmallows! Those hardy souls who want to brave the elements can plan to camp as well. If you can't attend the pumpkin carving & haven't gotten there early to set up your tent, please plan to meet us at the entrance gate to Chewacla **promptly at 7:15** as the gate to our camping area will be locked behind us. No activities are planned for Sat a.m., so we'll break camp in the morning & head home.

WE ARE SO PROUD OF OUR NEW BOBCATS

Calendar

October 30th
NO SCOUTS- 5th Thursday

October 31st
Fall Campout

November
Pinorama

November 8th
Auburn Football Game

Veteran's Day
Remember to fly your
American Flag at home!
Bears—see page 39

Many Achievements require
that scouts make models
Lowe's and Home Depot offer
many Saturday clinics for kids

Sat, 11/8

A.U. Football Game

We'll get with the den leaders & discuss getting the tickets to everyone at our den meeting on Thursday

Thur 11/6

Parent Advisory

meeting is when the patch your child will need to enter the AU football game will be given to the parents, as well as, shirts to those who have ordered them. So do your best to not miss this meeting.

Sat, 11/15

Camp Out on the Ice

Camp out on the ice rink after the Columbus Cottonmouths game. This is attending the hockey game, then spending the night on the ice. Most folks just bring a sleeping bag, foam pad, & pajamas – no tent. However, if moms are going & feel more comfortable, a tent is fine – just no metal of any kind can touch the ice. **If you plan to attend, please email or call myself or Penny this week & let us know so we get our reservations in.**

Meeting schedule

- The 1st Thursday of the Month will be the Parents Advisory Meetings
- The 2nd and 4th Thursdays of the month will be Den meetings...Tigers, Wolves, Bears and Webelos will meet individually.
- The 3rd Thursday of the month will be the Pack meetings and we will all be together!
- No meetings on 5th Thursdays!

POPCORN SALES

We had a GREAT Pack Meeting!

Individual Den Updates

Tiger Cubs—Led by Carl Estes

Yea!!!! All of our Tigers received their Bobcat badge!!! Way to go boy and families, this shows real dedication and excitement for the Cub Scout Program. This is our first year we have been diligent in taking care of all the administrative “stuff” for our den, now that that is done boy are we going

to have some fun. We will be receiving our Immediate Recognition Paws and doing some fun activities in our book. Parents, Mr. Carl could really use your help, if you have an area of expertise you would like to share with the den, please let him know so you can “take” a den meeting activity. And you parents who

think you don’t have expertise in an area, I bet you do, think about it and find an activity in the book that you could help facilitate! We also need to be thinking of some “goseeums”, if you have contacts at the Fire Dept, Radio Stations, Bakery, Museums....., anywhere that can give a tour, let Mr. Carl know and let’s get those planned. So good job boys and let’s get ready to have even more fun!!!

Wolf Cubs—Led by Chris Nunn

Congratulations to the Wolf Cubs who earned their "Bobcat Badge" in October! Quin Burditte, Jordan Ervin, Sire Jones, Daniel Kindred, Martell and Montell Norman, David Ogren, Jamal Spratling, & Antonio

Willis. Each of them did a incredible job reciting the 7 required areas to earn this first Cub Scout badge.

During our last den meeting of October, Heather Lindsey led the group in preparing homemade book covers.

The boys enjoyed constructing their book covers in their special way. Heather also read a book entitled "The Selfish Crocodile," which was another asset to tonight's meeting. Thanks for allowing us to **have the privilege to serve your Wolf Cubs.** God bless. Chris

Bear Cubs—Led by June Woodham

Boy have we been busy! The new Bears have achieved their Bobcat badges (way to go boys) and we have been diligently working on our books. We have worked on genealogy, flag ceremonies

and knowing our states. We are lining up a service project and looking for more to do for our community. As we advance our way through Cub Scouts, we are working toward becoming young men

of integrity and being involved in our community and is an important step in this process. Ms Amy is looking into the “God and Me” part of Scouting and will have more to come later.

Webelos Scouts—Led by Ms. Penny Davis

The Webelos are growing! Tom Lowery has agreed to lead this fine group. We had a late school night at West Forest and a few young men have joined

our pack so be on the lookout for this group to be a vital part of Pack 36. If you know any young men in the 4th or 5th grades that would like to be a part of this

den, have them call Ms. Penny.
