

WOOD BADGE S9-91-12

Chattahoochee Council

TWO FULL 3-DAY WEEKENDS—March 2-4 & April 13-15

THE PURPOSE: 21st Century Wood Badge is the advanced leadership training program for all B.S.A. Leaders (Cub Scout, Boy Scout, Varsity, and Venture Leaders) at the unit, district and council levels. Wood Badge is designed to train all Scouting adults to use the latest leadership skills. Techniques and skills learned will help you to be a better leader in Scouting and your "other life". Starting in 1919, and continuing today, Wood Badge is the preeminent leadership training offered by the Boy Scouts of America.

WHO MAY ATTEND WOOD BADGE: To attend a Wood Badge course, Scouters must:

- Be registered members of the Boy Scouts of America. There is no minimum tenure requirement.
- Have not previously completed a Wood Badge course.
- Have completed the basic training course(s) for their scouting position.
- Have completed the outdoor skills training program appropriate for their Scouting position. (Required for Scoutmasters, Assistant Scoutmasters, and Crew Advisors and assistants.) All participants are encouraged to complete the Introduction to Outdoor Leader Skill training before attending Wood Badge, but it is not required.
- Be capable of functioning safely in an outdoor environment. A completed current BSA physical is required for all participants.
- Because of the advanced nature of this training, the requirements above will not be waived. Some camping experience is helpful, but not necessary or required.
